Terrifying Mummies

Ingredients: pastry and hot dog sausage

Preparation:

Cut the puff pastry by making strips. Roll the strips in the hot dog sausage. Bake a little just to toughen the pastry. For the eyes, you can use grape, raisins, pepper, chocolate... or whatever you want to. Do not forget to decorate your dish with creepy drawings... or ketchup!

I took them last year to class and kids loved them, I'm sure yours would too!!

Underground worms

Ingredients: chocolate pudding, Oreo cookies, gummy worms

Preparation:

Just add chocolate pudding, sprinkle over some crushed Oreo cookies and... add gummy worms to it!!

Who tastes it first?

Chocolate mice

Ingredients: syrup tailed cherries, white and black chocolate, almond

Preparation:

Drain the cherries and dry them thoroughly with paper. Melt black chocolate and white chocolate and then immerse them into it. Later, let them dry on waxed paper. When the chocolate cherries are semi-dry add a chocolate chip for the nose and the eyes, and almonds for the ears.

What a beautiful mice!

Spider Cookies

Ingredients: Oreo cookies, icing sugar, food coloring,

Preparation:

Open the Oreo cookies and remove the filling, then fill them again with red or orange colored icing sugar. For the legs add 6 pieces of licorice and finally add M&M's for the eyes!

As real as scary!
